

QUARTER CIRCLE PAPER QUILT

We invite you to be an integral part of the Abilene Public Library's Summer Reading Club by helping us decorate the Main Library with an art project inspired by *Wombat Said Come In* by Brian Lies!

All you have to do is decorate this paper quilt square any way you want with any medium, just keep it family-friendly. Then turn it in at any Abilene Public Library by June 1st.

We'll gather all the squares to make a beautiful collaborative paper quilt that the whole community helped create. Once it's complete, we'll hang the quilt in the Main Library for all to see during the Children's Art & Literacy Festival featuring Brian Lies on June 8-13, 2023.

Summary: Australian bushfires roar above Wombat's home. He is fortunate that his burrow is deep below ground, and he is safe. He snuggles under his crazy quilt and drinks his tea.

Then, one by one, five uniquely Australian animals – Wallaby, Kookaburra, Platypus, Koala, and Sugar Glider – seek refuge from the fires, and Wombat welcomes them all.

About the Project: We hope as many people as possible participate in this project. It would be a great art installation to show the illustrator, Brian Lies, while he's visiting our town. Plus, it's a fun way for you to be part of CALF.
