PLANNING & DEVELOPMENT SERVICES

The Planning & Development Services Department serves as an information resource and as the point for coordinating development functions for the public and other City departments. The Planning staff provides expertise and policy advice to citizens and staff alike and also works to create new standards for community enhancement. The Department serves a unique role in balancing the needs of the development industry with the interests of the public. It is housed with the Building Inspection Department in the Development Service Center in order to facilitate permit processing and questions from the public.

Land development works best when the property owner and Planning & Development Services staff communicate openly about the nature of the proposal and the regulations that affect it. To provide you with the best service possible, we highly recommend that you take the time to meet with a planner in advance of submitting your application. Please call 325.676.6237 to make an appointment with one of our staff members.

Historic Overlay (HO) District

The City of Abilene, Texas, recognizes the importance of historically, architecturally and culturally significant sites and structures to the community. The City of Abilene further declares that as a matter of public policy the protection, enhancement, and perpetuation of landmarks or districts of historical and cultural importance and significance is necessary to promote the economic, cultural, educational, and general welfare of the public.

It is recognized that the City of Abilene represents the unique confluence of time and place that shaped the identity of generations of citizens, collectively and individually, and produced significant historic, architectural, and cultural resources that constitute their heritage. It is further recognized that the unapproved demolition of historic resources could constitute a public nuisance.

The Landmarks Commission shall determine if the completed project is substantially in compliance with the property proposal or the Certificate of Appropriateness. The Commission may postpone the public hearing on an application if additional information is necessary.
