Invasive Visual Recording

ABILENE, TX – The Police Department initiated an investigation on June 22, 2018, involving the felony offense of Invasive Visual Recording of Person(s) with a Covert Electronic Device within a public restroom at a local food establishment. This offense is a state jail felony. In this particular investigation, the suspect targeted a female restroom at a fast food restaurant. The Police Department would like to educate the public on this ongoing investigation. We further ask that businesses and restaurants check their restrooms, including toilet tanks or other fixtures within the restroom for any electronic devices. If a device is located, please do not touch it and contact the Police Department immediately. As of today, no additional offenses have been reported. We will keep the community updated on the progress of this important investigation.
