Request for Proposals
Investment Advisory Services for
Abilene Firemen’s Relief and Retirement Fund

The Abilene Firemen’s Relief and Retirement Fund (Fund) Board of Directors (Board) is seeking proposals from qualified firms for investment advisory services to assist the Board in carrying out its fiduciary responsibilities. Response to the request for proposal (RFP) must be received no later than 4:00 PM (CST) on April 15, 2019.

The RFP does not obligate the Board to complete the project and the board reserves the right to cancel the solicitation if it is in the fund's best interest.

1. Introduction

The Board is responsible for the proper operation of the Fund. In meeting this responsibility, the board establishes objectives of the investment manager(s) of the Investment Fund, selects investment manager(s) of the investment fund and evaluates the performance of the investment manager(s) based on the established objectives. The Board will annually (at a minimum) review and approve the contracts and/or fee schedule of its investment manager(s) and its investment custodian and approves the continuation of its business relationships with the investment managers and its custodian.

The fund currently has a market value of \$54,100,000 and book value of \$49,995,000 as of January 31st, 2019. And actuarial valuation was prepared on the Fund as of September 30th, 2017.

The Board has established performance objectives for the funds under its control. In its efforts to meet or exceed these objectives, the Board utilized the advice and recommendations of an investment advisor in the design, development and implementation of its investment program.

- The firm must be able to maintain an electronic data processing interface with the Fund's custodian. The firm must document that it has data redundancy and catastrophic data recovery programs currently in place.

5. Scope of Advisory Services

The Fund and the Board have established investment performance objectives. In its effort to meet or exceed these objectives, the Board has sought and will continue to seek the investment advisor's advice and recommendations for its investment program. The Board expects the advisor selected through this RFP to provide independent, objective, creative and proactive input to its decision making process. The advisor may be required to perform any or all the following task:

A. Investment Policies and Asset Allocation Structure

1. Conduct an annual comprehensive review and analysis of the Fund's investment policies and recommend changes, if appropriate. The review should address investment objectives, asset allocation and management structure.

2. Assist in reviewing and updating a comprehensive written Investment Policy Statement for the Fund.
3. Assist in developing an appropriate investment management structure for the Fund and each asset class, which considers the role of active versus passive management, available management styles and the advisability of altering management structures under differing market conditions.
4. Provide assistance in analyzing the investment characteristics of available asset classes and the risk/return potentials of alternative asset mixes.
5. Coordinate with the Fund's actuary to incorporate asset/liability needs of the Fund, actuarial assumed rate of return, and capital market assumptions.
6. Advise in the development of guidelines and procedures for rebalancing the asset mix.
7. Provide the fund with information about new developments in investment management techniques and portfolio management theory. Analyze how new techniques might improve the Board's investment program and whether they should be, or should not be, implemented.

B. Investment Manager and Fund Selection

1. Conduct manager and fund searches. Assist in establishing appropriate qualitative and quantitative selection criteria for reviewing potential candidates. Assist in screening prospective managers in funds and recommending finalist, which meets stated requirements.
2. Analyze the Fund's needs for particular managers within each asset class.
3. Provide ongoing monitoring, due diligence, and recommendations of managers and funds.

C. Performance Evaluation

1. Facilitate the selection of appropriate performance benchmarks for each asset class in each manager and fund.
2. Assist in developing composite indices for the Fund to measure total Fund performance related to an established target asset mix. Analyze actual performance relative to the composite indices on an ongoing basis.
3. Provide timely monthly performance analysis of the Fund's assets to assist in determining whether or not investment policies are being followed and whether investment goals are being achieved.
4. Provide performance attribution for each manager in fund and analyze individual and aggregate risk positions of the managers/funds on a periodic basis.
5. Evaluate manager and fund performance and consistency relative to investment guidelines and establish benchmarks. Conduct ongoing discussions with manager/funds on investment performance and organizational issues (such as changes in ownership, staff, new products, etc.). Advise on manager and fund retention/termination and assist in developing formal manager and fund review process. Help evaluate any underperformance of managers/funds. Conduct annual organizational and performance audits of each manager and fund. Periodically analyze risk positions of each money manager and fund.
6. Assist the Board with negotiating appropriate management fees and with monitoring and evaluating transaction cost and efficiency. Evaluate and recommend appropriate earnings enhancement strategies (e.g., cash management and revenue

recapture).

D. On-site Consultation and Assistance

1. Attend quarterly (and monthly if needed) Board meetings to review performance, assess the investment program and make recommendations.
2. Meet with the Board as necessary to assure timely completion of task set forth above.
3. Assist the Board with fiduciary education and adaption of pension-related best practices. Keep the Board abreast of new developments in investment management techniques by making available ongoing research, topical and memoranda on current issues of interest to institutional investors.

E. Special Requests

1. Prepare analysis of specific issues designated by the board. These may include topics such a shareholder-voting rights, tobacco related investments or custodial relationships.

An evaluation committee selected by the board show evaluate the proposals based

upon the following factors:

1. Particular capability to perform the service required
2. Experienced staff available to perform services required
3. Performance history
4. Approach and philosophy used in providing services
5. Fees or costs
6. References

The Board reserves the right to interview one or more firms submitting proposals prior to making a final decision to award a contract. The Board will award the contract to the responsible proposer whose proposal the Board determines to be the most advantageous to the Fund based upon the process and evaluation factors and the outcome of the negotiations, as described above.

I. Award

The Board reserves the right to correct, after proposer verification, any mistake in a proposal that is a clerical error, such as a price extension, decimal point error, etc. If any error exists in an extension of prices, the unit price shall prevail.

The Board reserves the right to accept all or any part of a proposal, reject all proposals, and waive any informalities or non-material deficiencies in a proposal. The Board also reserve the right, if applicable, to award the purchase of individual items under this RFP to any combinations of separate proposals or proposers.

The Board will accept a proposal that, all things considered, the Board determines is in the best interest of the Fund. Although price will be an important factor, it will not be the only basis for award. Due consideration may also be given to a proposer's experience, references, service, ability to respond properly to requests, past performance, and other criteria relevant to the Board's interests, including compliance with the procedural requirements stated in the RFP.

The Board will not award the proposal to any business or person in arrears or in default to the City of Abilene with regard to any tax, debt, contract, security or any other obligation.

J. Opening of Proposals

Proposals will not be publicly opened. All proposals and evaluations will be kept confidential prior to award.

After award of a contract, all responses, documents, and material submitted by the respondent pertaining to this RFP will be considered public information unless otherwise determined by legal counsel. All data, documents and other information developed as a result of this contractual agreement shall become the property of the Board and the Fund. Based on the public nature of RFP's, a respondent must inform the Plan Administrator, in writing, of the exact materials in the submittal which it believes are proprietary or confidential and should not be made part of the public record in accordance with the Texas Freedom of Information act. The respondent will be

financially responsible for all expenses of the Board and the Fund, its public officials, consultants, employees, and representatives in defending the denial of access to such material pursuant to a Freedom of Information Act request.

K. Sales Tax

If any such change causes an increase or decrease in the cost of, or the time required for, the performance of any part of the work under this contract whether changed or not changed by any such order, and mutually acceptable equitable adjustment shall be made in the contract price and the contract shall be modified in writing accordingly. Any claim by the Board for adjustment under this clause must be asserted within ten (10) business days from the date of receipt of the proposer of the notification of a change.

N. Contract Termination

In the event that this contract is terminated for any valid reason, the Board reserves the right to award this contract to the second highest-ranking proposer based on the original evaluations.

O. Contractor Evaluation and Demand to Cure

The investment advisor's performance will be evaluated by the Board until completion or termination of the contract. The quality of the advisor's performance in a number of areas will be rated as "satisfactory", "needs improvement", "unsatisfactory", or "not applicable". When evaluations are rated less than "satisfactory", the advisor will be notified. These notifications shall identify deficient areas in contract performance and afford the advisor the opportunity to correct or present its position concerning items that were reported to be deficient.

Failure to cure deficiencies in performance relative to any of the standards or requirements set forth in this document will result in a "demand to cure" notification to the advisor from the Board. The third documented notification of a "demand to cure" within any 12-month period maybe grounds to cancel this contract for cause.
