Dear Property Owner:

The Abilene City Council recently adopted a Three-Year Annexation Plan for the area located generally to the southeast of the present city limits. Our records show that you own property in this area. The Three-Year Plan allows time for further study of the area to determine if it is appropriate to consider for annexation in December 2009.

The City Council has directed city staff to develop a Final Service Plan for the proposed areas. In order to gather the necessary information and allow citizen input, the City Council will be conducting two public hearings after a full inventory of services has been compiled and posted for public review. You will be notified in writing of the exact date and time of each of the public hearings.

A map of the territory and the general procedure schedule are enclosed for your information. Please contact me if you have any questions or if I can provide you with any additional information. The City of Abilene Planning staff can be reached at planning@abilenetx.com or (325) 676-6237.

Sincerely,

A handwritten signature in cursive script that reads 'Gloria Elder'.
